1. Statement of Principles

Eastbury Primary School regularly reviews and updates all AUA (Acceptable User Agreements) documents to ensure that they are consistent with the school Online Safety Policy.

The school makes a range of digital technologies available to staff for use in connection with their employment by the school, and for use in connection with professional activities that arise from their employment by the school.

Staff should not use the digital technologies provided by the school for activities that are illegal, or, for other reasons, incompatible with their professional role.

2. Detailed Provisions
