

ENTRY POINT: To open our topic we have taken part in a body MOT where the children explored different aspects of looking after their bodies and the power of their five senses.

MATHS: We will be learning

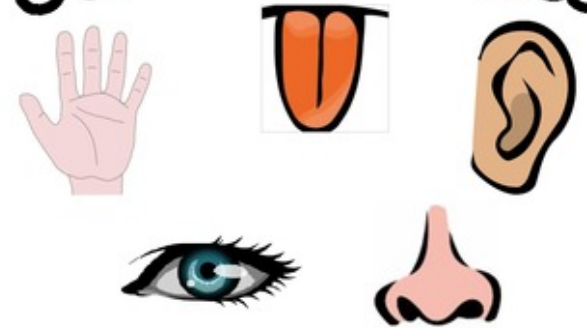

- To add and subtract two 3-digit numbers using the column method
- 2,3,4,5 and 10 times tables

ENGLISH: Our English lessons will be linked to our topic and we will be covering a range of skills from researching, writing non-chronological reports, poetry and instruction writing.

SCIENCE: We will be learning to:

- Know about the basic conditions needed for living things to survive
- Be able to sort living things into simple groups
- Know the names of the main external body parts of humans
- Know the names and characteristics of a range of animals
- Know about the senses

Our Five Senses

ART: The children will be designing and creating a children's sensory book.
