

Fashion! ENTRY POINT: W/C 06.06.16  
EXIT POINT: W/C 20.06.16  
SCIENCE.

Children will be learning about how the body works. They will be learning about the human skeleton, muscles, teeth and organs such as the stomach, intestines, lungs and heart. They will be exploring the effect of diet, smoking, illness, exercise, vitamins and sleep on the human body through observations and research.

#### INTERNATIONAL:

Children will examine similarities and differences between our country and the host nation of Brazil. In particular, we will look at the Olympic games and how exercise impact on our body.

#### FRENCH/SPANISH:

Children will be learning the vocabulary related to parts of the body, food, ordering from a menu, clothes, toys and money, etc.

#### REMINDERS

Children will be given homework tasks related to our topic, Maths and Literacy. Homework is given out every Thursday and must be returned by Tuesday the following week. Any problems or questions, please speak to the Year 3 team: Mr Arroyo (3D and Year Group Leader), Miss Abwooli (3B), Mrs Pieroni (3C) and Mrs Campbell (3A)
