

IPC: Our IPC unit this term is 'The Ancient Egyptians'. This unit gives us a chance to learn about the way of life of the Ancient Egyptians. We will find out about where Egypt is and about its climate, desert and the importance of The River Nile. We will also be investigating how and why the Ancient Egyptians mummified their dead and buried them with various items that had meaning in their lives.

PE: This term year 3 will concentrate on the skills of passing, dribbling and shooting in basketball. We will learn to choose different manoeuvres in order to get around opponents.

Music: This term we will continue to sign and use BSL during our signing assemblies. We will also be learning the language of music and its meaning and be using instruments to support our singing of songs related to our IPC topic.

Year 3 IPC Unit The Ancient Egyptians

Computing:

Our topic will be 'Welcome to the World Wide Web'. In this topic we will be learning how to use keywords in the search engine when we are researching. We will be finding out the different uses for the internet and how to stay SMART. We will also be looking at and understanding what information a picture can give about you.

Science: Our topic will be 'Animals including humans'. We will be learning about how living things obtain food and make comparisons by diet. We will also be sorting animals by their skeletons and learning the name of bones.

Other subjects: In RE, we will be learning about Hindu Beliefs. We will be learning about the many Hindu Gods and their special meaning to Hindu's. reasons for what they do.

In **PHSE**, we will be learning about 'Relationships'. We will learn about people we love, people we have lost and how to show love and appreciation to people and animals.

ART: We will link our art to our IPC topic and produce drawings during our COD sessions.

D&T: We will learn how to plan and prepare a healthy meal.

Language of the term: Spanish
