Dear Parents,

Re: School provision over the coming weeks

Further to my text this morning, the government has decided that schools should remain open for certain pupils.

We will therefore be open next week for those pupils who have an Education, Health and Care Plan (EHCP). This is a legal document that describes a child's special educational needs and the support they require. We will also be open for the children of parents/carers who work in certain occupations.

If you think that your child should be attending school because you are a key worker, or your child has an EHCP please contact the school office urgently on 0208 4779910.

All other children should remain at home.

Yours sincerely
