

Eastbury Primary School prides itself on seeking the views of its parents and using their opinions and suggestions to help to make the school even better. We ask parents to login to Parent View and complete the questionnaire on line, so we can read comments and collate information.

It is a very simple process, first use the link on our website to login to Parent View.

How to use Parent View

Step 1: Log in or Register for first time users

You will need your email address and a password for the simple log-in process. Just follow the on-screen instructions.

You will then be sent an email with a link to activate your log-in.

Step 2: Search

You can give your views about your child's school if it is a maintained school or an academy (including free schools), or a non-association independent school inspected by Ofsted.

To search for a school, just enter the name of the school and part of the address (road, city, town or postcode) in the search boxes when you are asked to.

Select your child's school from the search results.

Step 3: Questionnaire

There will be 12 questions to answer, for example, 'My child is happy at this school' with a choice of responses:

- Strongly agree
- Agree
- Disagree
- Strongly disagree
- Don't know

Use the 'Next' button to move to the next question. If you change your mind you can use the 'Previous' button to go back.

Once you have completed all 12 questions, click on 'Finish the survey' and the questionnaire is complete.
