Earlier today I sent you an email which outlined who the government has described as a “Key Worker”. If you are a single parent Key Worker or if both parents are Key Workers, please contact the school office on 0208 477 9910.

If your child is entitled to a free school meal’s via pupil premium funding, you will be contacted by the school to explain what has been put into place for your child.

The school will be open for telephone contact from 9am-4pm. The contact number is 0208 477 9910. I will also post a weekly message on the school website to keep you up to date.

We will remain open for children of Key Workers and children with specific needs. However, all other children will need to stay at home, so please do not send your child into school from Monday onwards. Please remember this is a national closure.

We are all part of an extremely special school community at Eastbury and I wish you and all your family well and look forward to the time when we open our gates again and welcome all our children back.

Kind regards

Lisa Shepherd
Headteacher
