2016/2017

## YEAR 3 CURRICULUM INFORMATION

### P.E.

*Hockey – We will be learning the skills required to pass the ball in order to score a goal.*

*Basket ball – We will be learning how to dribble the ball and the rules of a game.*

### Literacy

*We will be learning how to present a reasoned argument, putting forward our point of view in order to win over our audience.*

### Science

*We will be finding out what plants need to grow, the scientific names of the different parts of a plant and why plants are important for our survival. We will also be finding out where electricity comes from, what it is used for and will be creating our own circuits to light a bulb.*

### Art

*We will be creating floral patterns using pastels. A choice of floral fabrics will be shared out and sections of the design will be recreated.*

### History

*We will be learning about the history of the light bulb. Who invented it and the struggle to be the first to provide electric light.*
