

**INTERNATIONAL:** We will be researching the causes and treatments of Malaria in Africa.

**PE:** The children will develop their skills in gymnastics and invasion games.

**PSHE:** This term we are learning to celebrate differences. We will be learning how to notice signs of bullying and how to combat bullying

**REMINDERS:** Are there any parents with expert knowledge on the human body? We would love you to share your expertise with the children as part of a visit. Towards the end of this term we will be working on a Christmas concert that you will be invited to watch.

**EXIT POINT:** To celebrate our topic we will be holding a fun Science afternoon where the children will participate in a quiz that challenges the five senses.

# YEAR 2

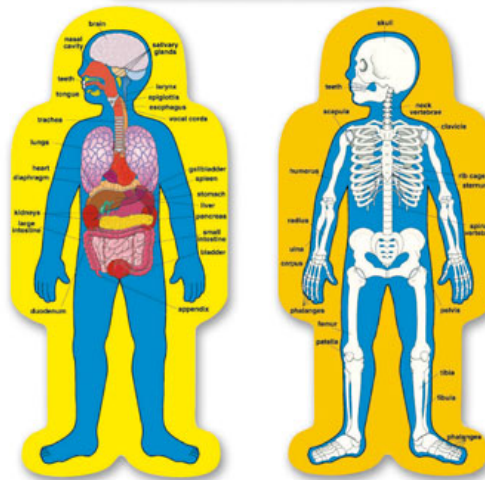

## SUPER HUMAN

### AUTUMN TERM 2

### 2017/18

#### The Human Body

### RESPECTING EACH OTHER

### HOST NATION:

### AFRICA

**ENTRY POINT:** To open our topic we have taken part in a body MOT where the children explored different aspects of looking after their bodies and the power of their five senses.

**MATHS:** We will be learning

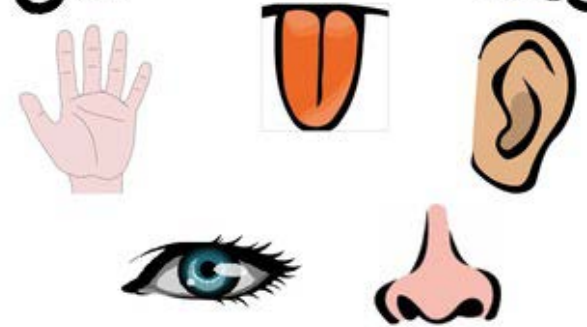

- To add and subtract two 3-digit numbers using the column method
- 2,3,4,5 and 10 times tables

**ENGLISH:** We will be learning about poetry. Children will learn how to perform and write a kenning poem. We will also be learning how to write a non-chronological report.

**SCIENCE:** We will be learning to:

- Know about the basic conditions needed for living things to survive
- Be able to sort living things into simple groups
- Know the names of the main external body parts of humans
- Know the names and characteristics of a range of animals
- Know about the senses

## Our Five Senses

**ART/DT:** The children will be designing and creating a sensory picture. Children will be learning to make shortbread biscuits
