

Active Planet – Entry Point – W/C 2/1/18 – Exit Point –
W/C 9/2/18

Spring Term 1
2017/2018

YEAR 3 CURRICULUM INFORMATION

Science

We will be learning about the different states of matter – Rock, magma, fire, ash, and smoke. Investigating different types of rock and how different types of liquid flow.

PSHE

We will be thinking about challenges that need to be overcome, people we admire and how we need to be able to work together with others to achieve.

Art and DT

We will be creating explosive pictures using the influence of Jackson Pollock and volcanic coloured tissue paper. We will also be looking at designing buildings to withstand earthquakes.

Geography

We will be learning about tectonic plates and placing volcanos on a world map. Investigating what volcanos look like, where they are found and what happens when they erupt.

International

We will be understanding the purpose of a disaster relief centre and how they help people to survive.

DT/Cooking

We will be baking volcanic cup cakes.

P.E.

Indoor P.E. – We will be performing dance moves based on the weather.
Outdoor P.E. – We will be learning to play tag rugby.

History

We will be learning about the devastating eruption of Mount Vesuvius in AD79. What happened, how it happened and the fate of the people living nearby.

Eastbury Primary School
