Thursday 10th September

Dear Parents,

Your children have come back to school ready and excited to learn and their behaviour has been excellent in every classroom.

They are working with their teachers to understand new rules in the classroom, dining halls and playground. They are now walking to their classrooms independently and are settling quickly each morning. Your children have all been amazing!

We have staggered the times at the start and end of the school day. The gates open at 8:35am and close at 8:55am. You will need to take you child to the Welcome Centre if you arrive after this time as the school office is currently closed. Please see my letter dated the 2nd September for year group start and finish times. This is also on the school website.

Please make sure your child arrives and is collected on time. The children become very upset when they arrive late or if you are not there at the end of the school day.

The school kitchen is now serving hot dinners. Next week is week 3, which is on the school website. Please remember to pay for your child's meals using Parent Pay. If you think your child is entitled to pupil premium funding, which means that your child's lunch will be free, use this link to apply <https://eforms.lbbd.gov.uk/article/2046>

Can I please remind you of the importance of social distancing, especially when you are collecting your children. Please stand behind the coloured lines and cones and do not approach the class teacher. When your child can see you they will raise their hand and the teacher will release them. If you are socially distanced, it will be easier for the teacher to see you. I know that we can all work together to keep everyone as safe as possible.

Thank you for your continued support.

Kind regards

Mrs Shepherd
Headteacher
